

Enabling pop-ups in your browser

You should first look to see if you have the following icon  on your top menu, if so click the icon. You will see the following dropdown:

Click the radio button next to “Always allow popups and redirects...” and then click the “Done” button.

To enable pop-ups for specific browsers:

Chrome

1. Turn pop-ups on or off
2. On your computer, open Chrome.
3. At the top right, click More. Settings.
4. Under "Privacy and security," click Site settings.
5. Click Pop-ups and redirects.
6. At the top, turn the setting to Allowed or Blocked.

Edge

1. Click the Settings and more... button.
2. Click Settings.
3. Click Privacy & security.
4. Scroll down to Security.
5. Click the Block pop-ups switch to toggle it between Off and On. Note: Set this option to Off to disable the pop-up blocker or On to enable it.

Safari

1. To allow pop-ups:
2. From the Safari menu, choose Preferences... and click the Security tab.
3. Ensure the Block pop-up windows option is not checked. Unchecking this option will allow pop-ups.
4. To block pop-ups once again, check the Block pop-up windows checkbox.
